What are your goals for participating in this retreat? _____

How will this retreat help your culinary career? _____

Do you have any experiences that will help with the success of this program? _____

Do you have any previous farming experience? _____

Financial Assistance/Scholarship Opportunity:

There are a limited number of scholarships available for students in higher education culinary programs, which will be awarded through a competitive essay. Please use the following topics as guidelines for your writing. Submit your essay with the above application.

- What is your philosophy of food?
- How do you currently use sustainable purchasing and cooking practices? How can you improve?
- What are your long-term culinary goals?
- One of our goals is for students to learn and understand the importance of using seasonal, organic ingredients at the peak of their freshness. There will be an abundance of produce available in our gardens in August and September. Please describe a brief menu idea for dinner that utilizes farm fresh ingredients. Some things we have growing include: heirloom tomatoes, tomatillos, summer squash, potatoes, many varieties of beets, cucumbers (pickling and slicing), eggplants, peppers, beans, lettuces, kale, peaches, herbs, choke-cherries, and wild watercress. There is also access to lamb, beef, chicken, duck and cheese.
- **Include a letter of recommendation from a food professional or instructor that you have worked with.**
