Name _____

Mailing Address _____ City _____ State _____ Zip _____

Phone Number _____ Email Address _____

Name of school and location _____

Grades that will have access to garden and number of students _____

Other organizations you are working with to develop or maintain the garden _____

What new learning do you hope to achieve and how will you put it to use in the classroom?

At what stage are you in the school garden planning (just dreaming, ready to break ground, already reaping the harvest)?

Tell us about your present work that is aligned with garden education?

What special interests do you have related to our food system? (I.e. Community building, health and nutrition)

What essential learning requirements do you see being filled with your garden?
